## TO-NIGHT'S BATTLE.

Matty Matthews and Jack Bennett, Crack Lightweights, Meet at the Metropolitan—A Fine Contest and Exciting Preliminary Promised.

Visitors to Wheeling for the Elks' fair and Wheelingites as well, will be given an opportunity to-night of witnessing a tip-top boxing contest, at the Metropolitan Athletic Club's arena in Fulton. The principals will be Matty Matthews, of New York, and Jack Bennett, of McKeesport, Pa., two of the best lightweights in the business, and who should draw an immense crowd, as they certainly will in the east. They are billed to go twenty rounds to a decision, but the New Yorker's fond admirers believe he will knock Bennett out before the distance is travelled.

Bennett is in Matthews' class and has youth and strength to aid him, while he is remarkably scientific and a clever all round man. To-night's victory will be a big feather in either man's cap for future events and the outcome is being watched all over the country. A host of Pittsburgh and McKeesport people will come down to root for Bennett, but local sports will be divided in their preference, both boxers having friends here. The battle will be refereed by Oscar Gardner, the genial featherweight champion, and for a preliminary the club has secured two fast lads, George Tucker, of Washington, and "Buzz" Auber, of Wheeling. Tucker is cracked up as a great bantam, and is a protégé of Prof. James Gordon. He and "Buzz" are scheduled for ten rounds to a decision. The work will be hot as long as it lasts. This event will start at 9 o'clock, the main event of the evening an hour later. The Wheeling & Elm Grove will run cars at frequent intervals.

Wheeling lost the first game of the series with Youngstown on the home grounds because Pastorius' was hit twice as hard as McFarland, the visiting club's pitcher, and Wheeling made twice as many errors as the visitors. Even at that, Pastorius pitched a fine game, and really the responsibility for the defeat rests with the extreme light batting of the Wheelings—only three singles.

Wheeling got a run in the first on Lytle's base on balls, Taylor's infield hit and Lyons' slashing single to left center. In the second the score was tied, Shafer reaching first on Niles' error, stealing second and scoring on Latimer's scratch single and some very amateurish fumbling by the locals. Youngstown got two in the third on McFarland's single, Pender's sacrifice and errors by Pastorius and Myers. Wheeling scored another run in the third on Shafer's error and Shafer's error. A double play cut down the locals in their mad stride, and then too late Lyons singled, and Niles' out retired the side with two on bases.

The visitors scored the last pair of runs in the seventh on an error and two hits. Score:

## NATIONAL LEAGUE.

PITTSBURGH, June 25.—It was an even split. Boston took the first game because Pittsburgh made costly errors and were slow on days that do not show in the score. Pittsburgh won the second because the visitors could not hit Leever and because Killeen's old comrades found him easy. Attendance, 4,250. Scores:

## BASE BALL COMMENT.

In to-day's game, Poole will be on the slab for the Stogies, and either Roach or Carney will officiate for the Youngstons. Poole is now pitching in fine form, and he will doubtless give Truby's pets more than can successfully negotiate. Carney, on the other hand, is being hit hard and often these days.

To-day's game will be called at 3:45.

This is ladies' day.

The feature of the game yesterday was a hair-raising catch by "Pop" Lytle in the fourth inning. Latimer sent a short fly to right field which everybody thought would fall safe. Lytle made a gallant run, but was a foot or two short, when most unexpectedly he slid under the ball and caught it not half a foot from the ground. "Pop" was given a warm reception when the team came in from the field.

## CYCLING.

On July 4 a road race from McMechen to Moundsville and return will be run under the auspices of the O. U. A. M., of the former town. W. E. Dorie, of McMechen, has charge of the race, and entry blanks can be secured after tomorrow at House & Herrmann's. The distance to be ridden is about ten miles. Gold watches will be given for first and time prizes, and other prizes will be in proportion to places.

## PENNYSYLVANIA WINS.

POUGHKEEPSIE, N. Y., June 26.—In the Cornell-Pennsylvania boat race to-day the Pennsylvania men caught the water first at the pistol shot. At the quarter mile Pennsylvania had gained slightly, but both crews held their way strongly. Approaching the mile Pennsylvania led by two lengths. Nearing the finish line both crews increased their stroke slightly, and Cornell appeared to gain a trifle. Pennsylvania finally won by two lengths. Time, 11 minutes, 12 seconds.

## PITTSBURGH LABOR DEMONSTRATION.

PITTSBURGH, Pa., June 25.—Benefit week of "All Organized Labor of Western Pennsylvania," at the Grand Opera House, has assumed proportions not thought of by the promoters, and the affair promises to result in closer union of the laboring classes in this section than ever before. The week was inaugurated with a large parade, in which all of the labor organizations of the city participated. The programme for the balance of the week includes many prominent men as special attractions. The principal demonstration will be made on Friday, when Major General Miles will be the guest of the day. All of the military and many of the civic organizations will turn out in force to welcome and entertain him.

## QUEEN REVIEWS HER TROOPS.

LONDON, June 25.—The Queen, the Duke of Cambridge, the Prince of Wales, the Duke of York, Grand Duke Michael, of Russia, the Duke of Connaught, General Lord Wolsey, commander-in-chief of the army, Colonel Samuel S. Sumner, U. S. A., military attaché of the United States embassy at London, and many princes and princesses were present on the famous paces at Aldershot to-day to witness a review of over 15,000 of the best troops in the kingdom. This review was interpreted in London to-night as a means of satisfying Queen Victoria that her troops are ready for any emergency that they may be called upon to meet, in the Transvaal or elsewhere.

## MISSING MINER.

Supposed to Have Been Murdered and his Body Hid.

Special Dispatch to the Intelligencer.

CHARLESTON, W. Va., June 26.—Much excitement prevails at Caperton, a mining village two miles west of Sewell, on New River, over what appears to be a most sensational murder.

Isaiah Martin, a miner in the employ of the New River Coal Company, has been mysteriously missing since last Wednesday, under circumstances pointing strongly to foul play, and implicating Frank Samples, a fellow miner. Samples, at whose home Martin was boarded, was informed that the latter had been intimate with his wife, during his absence from home. The two men met at the mouth of an old mine, where they quarrelled. Nothing has since been heard or seen of Martin.

Mary Johnston, a girl who passed near where the men stood quarreling, claims she heard cries of murder. It is believed that Samples killed Martin by striking him over the head with a wooden pin, and secreted the body in the mine.

## PEACE CONFERENCE.

Our Proposals to Protect Private Property at Sea will be Pushed.

THE HAGUE, June 26.—Frederick Hollis, secretary of the American delegation to the peace conference, referring in conversation with a representative of the Associated Press to the proposals of the United States for the protection of private property at sea with the exception of contraband of war in time of war from capture or seizure said:

"We have strong ground for making the propositions. The President understood the Russian invitation comprised the question of private property at sea, and has instructed us to raise the question. We will push the matter energetically, insisting that the conference is competent and that if its competence is doubtful a liberal interpretation was necessary. We believe that if the proposals are rejected they will be referred to another conference. Anyhow they will have been most useful as an attitude of each power will be defined. The state department has sent us a very strong pamphlet containing resolutions passed by many cities of the United States which have been handed to each delegate."

The drafting committee on arbitration adopted the first reading of the proposed code of procedure on arbitration. The code on the second reading will be of Friday, when the second reading of the permanent arbitration proposal, based on the scheme of Sir Julian Pauncefote, the head of the British delegation, will occur.

## CLEVELAND SITUATION.

Several Outbreaks—Non-Union Men Leaving the City.

CLEVELAND, Ohio, June 26.—Several small riots took place to-day, due to the presence of non-union crews on Big Consolidated cars. At Harvard and Tremont streets, on the Broadway line, a north bound car was attacked while going through a Polish settlement. The motorman and conductor were struck by stones, and the former drew a revolver, firing over the heads of the crowd, which gave way in flight. The man who fired the shot, Charles W. Kenney, of Buffalo, was arrested.

At South Brooklyn there were several hostile demonstrations directed against non-union crews.

There is a general disposition among the workmen to refuse to ride on cars manned by non-union crews, and if the conductor cannot show a union card on demand, both crews held their way strongly. Approaching the mile Pennsylvania led by two lengths. Nearing the finish line both crews increased their stroke slightly, and Cornell appeared to gain a trifle. Pennsylvania finally won by two lengths. Time, 11 minutes, 12 seconds.

The Kind You Want Always Bought

Be sure the Signature is at

The divorce evil seems to grow with every year. 7,500 divorces were granted in the State of Ohio last year. We agree that there are faults on both sides, but the great problem is: Are those faults remediable? To a great extent there is no doubt the conditions which result in divorce may be remedied. Given a dyspeptic husband and a wife suffering from female trouble and we have the ready made elements of a divorce case. In the view of the facts there can be very little doubt that many women look forward to divorce only because they seek relief from obligations they do not feel fitted to fulfill. Women are not to blame. They have looked forward to their home life as a dream of paradise. Then disease comes like a serpent and destroys all happiness.

Women who suffer with debilitating drags, inflammation, ulceration, female trouble and bearing down pains, will find certain relief and cure in Doctor Pierce's Favorite Prescription. It so invigorates the organs peculiarly feminine and regulates their functions that they are established in a perfectly healthy condition. The old lightness of heart comes back; there's light in the eyes and a smile on the lips. The old irritability and nervousness are gone, and the husband comes to his home as a haven of rest and comfort.

"I was troubled with female weakness, and after taking three bottles of Dr. Pierce's Favorite Prescription I am free from pain," writes Mrs. May E. Jones, 577 Madison Ave., Ypsilanti, Mich. "I had suffered for two years when I began taking your medicine, could not walk across my room without suffering dreadful pain. Now I do all my housework and walk where I please—I thank Dr. Pierce's medicine."

MARTIN'S FERRY NEWS.

The Daily Chronicle of Wheeling's Progressive Neighbor.

Last evening at their beautiful residence on "The Heights," in honor of their twentieth wedding anniversary, Mr. and Mrs. H. Smith were tendered a most delightful surprise. The event was quietly arranged by a number of outside friends of Mr. and Mrs. Smith and at 8 o'clock the invited guests assembled at the residence of L. J. C. Drennen, from whence they marched in a body to the Smith residence. The surprise was arranged in such a quiet manner by those in charge that neither of the principals had received any intimation of the banquet which was stolen on them until the guests arrived for dinner. About fifty guests were present and the evening was spent in a most charming manner. Excellent refreshments had been previously prepared and were discussed during the evening. Warm congratulations were bestowed upon Mr. and Mrs. Smith and the evening will linger for many moons in their minds, as well as to all present, as one of unusual merit.
